Our picks to click this week:

Drop by the **House of Turquoise** ([houseofturquoise.blogspot.com](http://houseofturquoise.blogspot.com)) for large doses of beautiful shades of blue, including a flowery photo of an interior by British designer Tricia Guild, a pretty sky-blue painted kitchen ceiling and an aqua living room accented with an apple-green gourd lamp and red damask pillow — yep, it works.

If turquoise isn't your thing, you may want to check out the blogger's other color sites:
