Our picks to click this week:

Drop by the *House of Turquoise* (<http://houseofturquoise.blogspot.com>) for large doses of beautiful shades of blue, including a flowery photo of an interior by British designer Tricia Guild, a pretty sky-blue painted kitchen ceiling and an aqua living room accented with an apple-green gourd lamp and red damask pillow -- yep, it works.

If turquoise isn't your thing, you may want to check out the blogger's other color sites: *Black and White Delight* (<http://www.blackandwhitedelight.com>), *Decor Green* (<http://www.decorgreen.com>), *Pink and Brown Love* (<http://www.pinkandbrownlove.com>) and the *Chocolate Blues* (<http://www.thechocolateblues.com>).
